My name is Oh Min-kyung.

tak!

Chosong Gae Byeol Gae is a song of the Choson Dynasty.

tak!

It was composed by
Ha Se Yoon Han and
sings of the harshness
of the real world.
Take note that...

*I teach advanced
Korean to high school
students.*

*It gets hard
sometimes...*

Here we
go again...

Everyone!
Please pay attention
to the front...

*I love kids, so I love my
job: teaching them.*

...Lately, I've been thinking...

*I'm not suited
for teaching.*

*This is just
undercover work...*

*for my real job
as a secret agent.*

*My mission is
to observe the
hero candidate,*

*report on and
watch over him.*

And also...

Hey! Everyone
shut up!

Can't you
see that our
teacher's having
a hard time?

Mind your
manners!

Da-hyun!

I expect nothing from this
the class president...

*I would've buried those
two brats alive if I could...*

Oh right! As a teacher, I could think of such things!!

In all honesty,

*I know better
than anyone else...*

*that I'm not qualified
to be a teacher.*

*I once dreamt of
becoming a teacher, but I'm
content with this job.*

In all seriousness...

Miss Oh! fire now!
Now's your chance!
Shoot him!

Oh Min-hyung!
Get a grip!

If you don't
shoot him...

everyone will die!

*That kid was around the
same age as my students...*

UWAAAAAA!

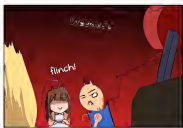

UWAAAAAA!

Are you okay?
Oh my, that
looks painful.

I put too much force into that punch...

*By the way, I specialize
in close combat.*

- The following day-

*Ah... I don't want to
go back into class...*

*when I know that everyone
doesn't like me...*

Above all else,

*I feel bad for
Sung-tae...*

I knew it. I'm...

POP!

MISS OH! HAPPY
TEACHERS' DAY!

So I hope that these kids...

*will be able to live in a
world where they won't
have to cry because of
conflicts caused by adults.*

*That is my
new dream.*

**Also, the two brats became
petite all of a sudden.**
